Act Naturally
The Beatles

Verse:
```
  G                              C
They're gonna put me in the movies
  G                                  D
They're gonna make a big star out of me
       G                                     C
They'll make a film about a man that's sad and lonely
       D                     G
And all I gotta do is Act Naturally.
```
Middle:
```
         D                     G
Well I bet you I'm gonna be a big star
        D                         G
I might win an Oscar  You can never tell
      D                      G
The movies gonna make me a big star
      A                     D
'Cos I can play the part so well.
```

Verse:
```
      G                                      C
We'll make a film about a man that's sad and lonely
    G                         D
And begging down upon his bended knee
      G                             C
I'll play the part  But I won't need rehearsin'
      D                     G
Cos all I gotta do is Act Naturally.
```
Guitar Solo (play this twice):
```
         D                     G
Well I bet you I'm gonna be a big star
        D                         G
I might win an Oscar  You can never tell
      D                      G
The movies gonna make me a big star
      A                     D
'Cos I can play the part so well.
```
```
        G                         C
Well I hope you come and see me in the movies
G                                 D
Then I know that you will plainly see
```

```
      G                                    C
The biggest fool that ever hit the big time
        D                       G
And all I gotta do is Act Naturally.

**All I Do is Dream of You**
Words & Music by Arthur Freed & Nacio Herb Brown 1934

```
A                       Edim     Bm7           E7
All I do is dream of you the whole night through
Bm7             E7              A
With the dawn I still go on and dream of you.
        A7     A9             A7     A9
You're every thought, you're everything,
         D6      D       Dm6
You're every song I ever sing
B7             E7            Bm7           E7
Summer, Winter, Autumn and  Spring.

    A                             Edim  Bm7     E7
And were there more than twenty-four  hours a day,
Bm7               E7              A
They'd be spent in sweet content, dreaming away
      A7          A9         A7         A9
When skies are grey, when skies are blue
D6        D         Dm6
Morning, noon and night-time, too
A                     F#7           B7     E7 A
All I do the whole day through, is dream of you.
