## Because the Night

Bruce Springsteen/Patti Smith

Intro Bm G A Bm G A Bm

Bm G A Bm  
Take me now, baby, here as I am.

G A Bm  
Pull me close try and under-stand.

G A Bm  
Desire is hunger, is the fire I breathe.

Love is a banquet on which we feed.

G A D A  
Come on now, try and under-stand

Bm G A  
the way I feel when I'm in your hand.

D G A  
Take my hand; come under cover.

C  
They can't hurt you now,

Bm  
can't hurt you now,

F#  
can't hurt you now.

Bm G A  
Because the night belongs to lovers.

Bm G A Bm  
Because the night belongs to lust.

G A  
Because the night belongs to lovers.

Bm G A Bm  
Because the night belongs to us.

Bm G A Bm  
Have I doubt when I'm a-lone?

G A Bm  
Love is a ring on the tele-phone.

G A Bm  
Love is an angel dis-guised as lust,

G A Bm  
here in our bed until the morning comes.

G A D A  
Come on now, try and under-stand

Bm G A  
the way I feel under your com-mand.

D G A  
Take my hand as the sun des-cends.

They can't touch you now,

Because the night belongs to lust.  
G A  
Because the night belongs to lovers.  
Bm G A Bm  
Because the night belongs to us.

D A  
With love we sleep;  
D A  
with doubt the vicious  
Bm A  
circle turns and turns.

D A Bm  
Without you I cannot live,  
A D A  
forgive the yearning, burning  
G D G  
I believe in time, too real to feel,  
Bm D  
so touch me now, touch me now,  
G F#  
Touch me now.

Repeat chorus and fade.

### Beyond the Sea

by Charles Trenet and Jack Lawrence

Somewhere beyond the sea  
 Somewhere waiting for me  
 My lover stands on golden sands  
 And watches the ships that go sailing

She's there watching for me  
 If I could fly like birds on high  
 Then straight to her arms I'd go sailing

It's far beyond the stars  
 It's near beyond the moon  
 I know beyond a doubt  
 My heart will lead me there soon

We'll meet beyond the shore  
 We'll kiss just as before  
 Happy we'll be beyond the sea  
 And never again I'd go sailing

## Blueberry Hill

Fats Domino

I found my thrill

On Blueberry Hill

On Blueberry Hill

Where I found you

The moon stood still

On Blueberry Hill

And lingered 'til

My dreams came true

The wind in the willow played

Love's sweet melody

But all of those vows we made

Were never to be

Tho' we're apart

You're part of me still

For you were my thrill
