

SPREAD A LITTLE HAPPINESS

4/4 1...2...1234

Intro:  /   /  /  /

Even when the darkest clouds are in the sky

You mustn't sigh and you mustn't cry

Spread a little happiness as you go by, please try

What's the use of worrying and feeling blue

When days are long keep on smiling through

Spread a little happiness till dreams come true

    

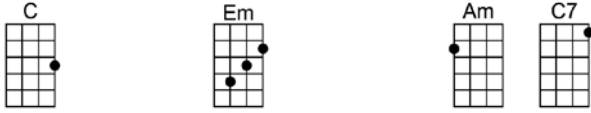

Surely you'll be wise to make the best of every blues day

Don't you real-ize you'll find next Monday or next Tuesday, your golden shoes day

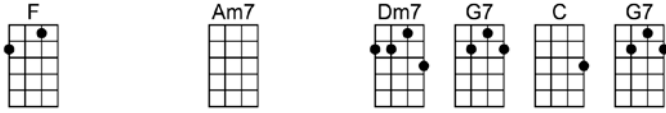

p.2. Spread a Little Happiness

Even when the darkest clouds are in the sky

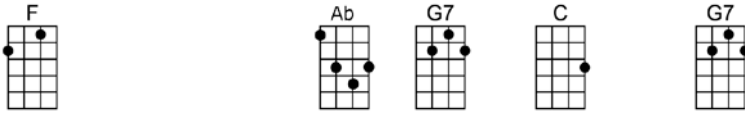

You mustn't sigh and you mustn't cry

Spread a little happiness as you go by.

I've got a creed for every need, so easy that it must suc-ceed

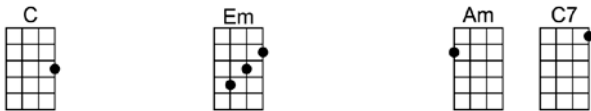

I'll set it down for you to read, so please, take heed

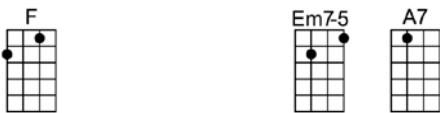

Keep out the gloom, let in the sun, that's my advice for every-one

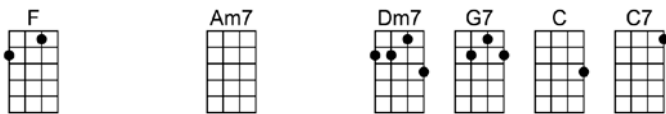

It's only once we pass this way, so day by day

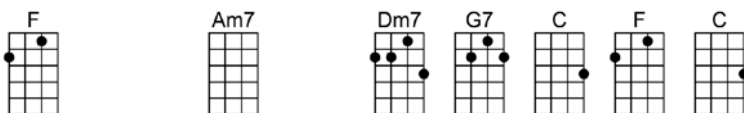

Even when the darkest clouds are in the sky

You mustn't sigh and you mustn't cry

Spread a little happiness as you go by.

Spread a little happiness as you go by.
